REMARKS

Applicant respectfully requests entry of the foregoing revised claim set into the application. The claims have been amended to correct typographical errors in the first Supplemental Amendment filed on July 15, 2003. Claims 1, 21, and 31-33 are currently being amended. Claims 1-38 remain in the case.

This amendment changes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claims remain under examination in the application, is presented, with an appropriate defined status identifier.

Applicant believes that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
